

To valued customer

December, 2023  
Kuraray co., ltd.

### **Announcement of resumption of orders for plastic scintillating fiber**

As we announced before, Kuraray co., ltd. implements a temporary plant shutdown of plastic scintillating fiber plant in Niigata, Japan from August, 2023 to February, 2024 to do seismic strengthening works at the plant. We are not able to produce "Scintillating fiber", "Wavelength shifting fiber", "Clear fiber" and "Plastic imaging fiber" whole this period. Although the works are ongoing, we would like to resume accepting orders for plastic scintillating fiber.

Please contact to sales person in charge at Kuraray Trading co., ltd. or [psf@kuraray.co.jp](mailto:psf@kuraray.co.jp) if you would like to get more details.

We appreciate your support and understanding during this period.

#### Temporary plant shutdown schedule

From August, 2023 to February, 2024 (For 6 months)
